4.4.2_ There are established systems and procedures for maintaining and utilizing physical, academic and support facilities - laboratory, library, sports complex, computers, classrooms etc.

The College has an established system through which physical, academic and support facilities are utilized properly. IQAC frequently meets and gives suggestions in creating new academic facilities in the institution. All the facilities are maintained by the institution under the chairmanship of the Principal. At the beginning of each session, availability of teaching aids like blackboard and availability of basic physical properties like – electricity, fans, and furniture is checked and supplied. There are laboratories for practical subjects. These laboratories provide students with all the necessary facilities and equipment's. There is a sports committee in the college which checks the availability of game-kits and ensures that sports programs are organized on regular intervals. There is a library committee in the college. The committee prepares schemes to upgrade the library and gives directions and assistance in the proper functioning of central library. The committee handles all the financial affairs of the library. The committee checks the needs and demands of users and prepares a draft of books to be bought. The committee oversees the functioning of library. It takes care of the progress of the library and helps to remove obstacles come in the progress library. Library provides book bank facility to students. This facility was given to 57 students in the session 2021-22. There is a provision for looking after the basic mechanical (bulbs, fans, mikes, speakers) needs regularly. The college also provides a computer Lab.
