## Students' feedback Analysis

दिनांक .....

Online feedback from 236 students for the session 2023-24 was received. A set of 20 questions falling in five categories -Completely agree, Agree, Neutral, Disagree, Totally disagree was given to them. Most of the students gave their feedback in favour of completely agree and agree for positive statements. The conclusion is based on the feedback received from the students. A study of data indicates that the students are satisfied with academics , other activities and other arrangements in the college. Feedback in relation to the New Education Policy was also taken in which most of the responses were received in favour of the New Education Policy in which students opted for agree and completely agree criteria .

### Action taken

The college administration is constantly striving for the all-round development of the students. The students will be provided facilities according to the latest requirements. For best benefit of students various co curricular and extension activities are organised in the college. In relation to the same NCC Program was launched in the session 2023-24 and is running successfully in the college.
